Present to You
a Book
of
"MEMORIES"
ROYAL

Since our school does not have a school lunch program, the students that do not bring their lunches may go down town and eat. The price is not too high so that all can afford it.

Seated at table, left to right: Donald Huffman, Larry Lash, Dennis Bulger, and Norman Glass. Seated at the counter: Bobbie Jean Klefeker, Judy Smith, Becky Stinson, Judy Biberstine, and Carolyn Lieurance.

Many of the students at school attend either the Methodist or the Baptist churches. A few of them sing in the choir, teach a class, or do something else to help out. In this way they work with both the community and school people.

Many of our students have to ride a school bus before they can come to school. The bus driver plays a very large part in the school life.

Left to right: Mr. Elston, Glenda, Linda, and Rochelle Dunn.

Some of our students live in town and have to walk to school. They are helped by placing the "school children crossing" sign in the street, careful driving, and co-operation by the student.
Left to right: Wilma, Bonnie, and Yvonne Pond.

The Bluffton Library Truck comes to Liberty Center every Tuesday morning. Wendell Foster has been helping the librarian by telling the students when to go to the truck. These three boys have just received some books. They are, left to right: Ricky Jarrett, Don Harris, and Billy Thompson.

Every summer the churches hold Bible School for pre-school and school age children. Nancy Roe and Carolyn Cardin were in charge of the music classes. The older children worked at craft projects under the guidance of Noreen Edris. Refreshments were served every day, and the last day they were all served chocolate bars.
Standing, left to right are: Barbara Grover, Agatha Cloud, and Esther Penrod.

Mr. Anderson, who led singing at the Baptist Church during revival, visited the school with Rev. King and led the students in singing.

Rev. Gary Albritten spoke to the students on "Hero of My Soul." He had been at the Baptist Church for a week of evangelistic services. Throughout the year our local ministers also brought us many chapel programs.

The Lions Club sponsored a Little League Baseball Team this summer for the younger aged boys of Liberty Township.

The Club holds its meetings in the school building. There are a few times when students of the school are called upon to present some entertainment for the program.

The Club does things for community service, such as putting up a community Christmas tree and selling light bulbs to make money to use for general activities for the community.

ADMINISTRATION

FACULTY

CHARLES E. DAY

Mr. Day has been our principal since 1946. Other than being principal, he teaches American Government, Geography, and History.

He received his B.S. degree at Manchester College and his M.S. degree at Indiana University.

Mr. Olin Rittenhouse served as our trustee since 1947 to 1955. Mr. Wayne Raber took his place as trustee January 1, 1955.

MR. OLIN RITTENHOUSE

GRACE SMITH

Supervising a physical education class, we find Mrs. Metz. In addition to this class she also teaches algebra and advanced math. Mrs. Metz has gone to Purdue, Marion, and Yale Colleges and to the University of Michigan. She received her A.B. degree from Manchester College.

This scene finds Mr. Biberstine explaining eighth grade English to some of his pupils. He also teaches U. S. History and Driver Training. He received his B.S. degree from Ball State College. He majored in History, English, and Physical Education.

Mrs. McLean is teaching history to her fifth grade pupils. She teaches the fifth and sixth grades. She graduated from North Manchester College.

Mrs. Rittenhouse finds that a reading circle is a great help to the first graders. She attended Salem College and Glenville Colleges in West Virginia. Mrs. Rittenhouse received her B.S. degree from Marion College.

Here the agriculture boys seem quite interested in learning how to test soil, under Mr. Hauk's guidance. In addition to teaching agriculture, he teaches chemistry. Mr. Hauk attended Ball State and received his B.S. degree from Purdue University where he majored in vocational agriculture, chemistry and biology.

Leah Smith, the fourth and fifth grade teacher, is teaching her students fractions. She went to Ball State, but received her B.S. degree from Marion College.

Mary Roe teaches music, art, and band to the students of Liberty Center. She attended Manchester College, Ball State and Miami University. She has attained her B.P.S.M. degree.

Neil Roe is teaching the seventh graders some new problems in arithmetic. He teaches the seventh and eighth grades. He attended DePauw University, State Normal and Terre Haute.

Mrs. Gingerick is kept very busy with the second grade. Here she is teaching her students to read and spell. She attended Ball State and Manchester Colleges.

This picture finds Miss Smith teaching biology. This is only one of the three subjects she teaches the other two being home economics and English. Miss Smith has her A.B. degree which she received from the college at Defiance, Ohio. She majored in vocational home economics and English. Miss Smith did further studying at Ames College.

Mr. Halmess is teaching shorthand in this scene. His other subjects include boys' health, seventh grade health and geography, commercial arithmetic and typing. Coaching the baseball and basketball teams make up another one of his jobs. Mr. Halmess graduated from Moorhead State College in Kentucky. He has his A.B. degree.

Language is the subject Mrs. Johnson is teaching her pupils in this picture. She teaches the third grade. She attended Indiana University, Citrus Jr. College, and Marion College. Mrs. Johnson has her B.S. degree.

The government class held an election this fall for the election of our county and state officials. Registration and voting was carried out just like the real process. The seventh grade through the twelfth were eligible to vote.

Every year a lady from the Leisure Electric Home from Fort Wayne gives a demonstration to all high school students. The demonstration includes preparing different types of food and how to operate the electric range.

With a new year of school starting, there is always a lot of preparation. This picture caught a few of the teachers unpacking the school books to be used for this year's use.

Left to right: Bonnie Gregg, vice president; Norman Edris, president; Noreen Edris, secretary; Peggy Collins, treasurer.

The seniors had a lot of fun this year during play practice. One of the things everyone looked forward to was putting on the make-up. The class enjoyed very much giving the play, "Cash and Carrie."

Taking a senior trip to Washington, D.C. and New York City consisted of another one of their very busy activities. Then the final and sad moment arrived for the preparation of baccalaureate and commencement.

JUNIORS

Standing: Leon Brinneman, vice president; Barbara Grover, secretary; Carolyn Cardin, treasurer. Kneeling: Chad Penrod, president.

The Juniors sold concessions this year to make money for the senior year.
Preparing to start selling are, left to right: Janet Kirtley, Shirley Carpenter, Lorene Cash, Jim Brinneman, Wendell Foster, and Carolyn Cardin.

The Juniors also sold magazines from the Curtis and Crowell-Collier Companies.

PTA is held once a month during the school year, the meetings are held in the high school auditorium and the home economics room is used for cooking purposes. This scene finds a few of the members eating their refreshments after the meeting.

A carry in supper most generally opens the PTA meetings. These meetings are held in the gymnasium. Everyone brings a dish of food, and a very delicious meal is always enjoyed by all.

The students of the high school sometimes give programs for the PTA. In this way they are working with the school and the community. The members like to see the young people participate.

SOPHOMORES

Secretary, Rochelle Dunn; President, Jack Clark; Vice President, Alice Jean Gerwig; Treasurer, Marilyn Cunningham.

The exciting moment finally arrived when the sophomores could select their class rings. This was the outstanding event of the year for their class. The sophomores conducted a scrap drive to raise money for their senior trip.

From left to right: Elaine Maggart, John Huffman, Max Dunaway, Bill Gilbert, Mr. George, Danny Frantz, Leilani Hobkirk.

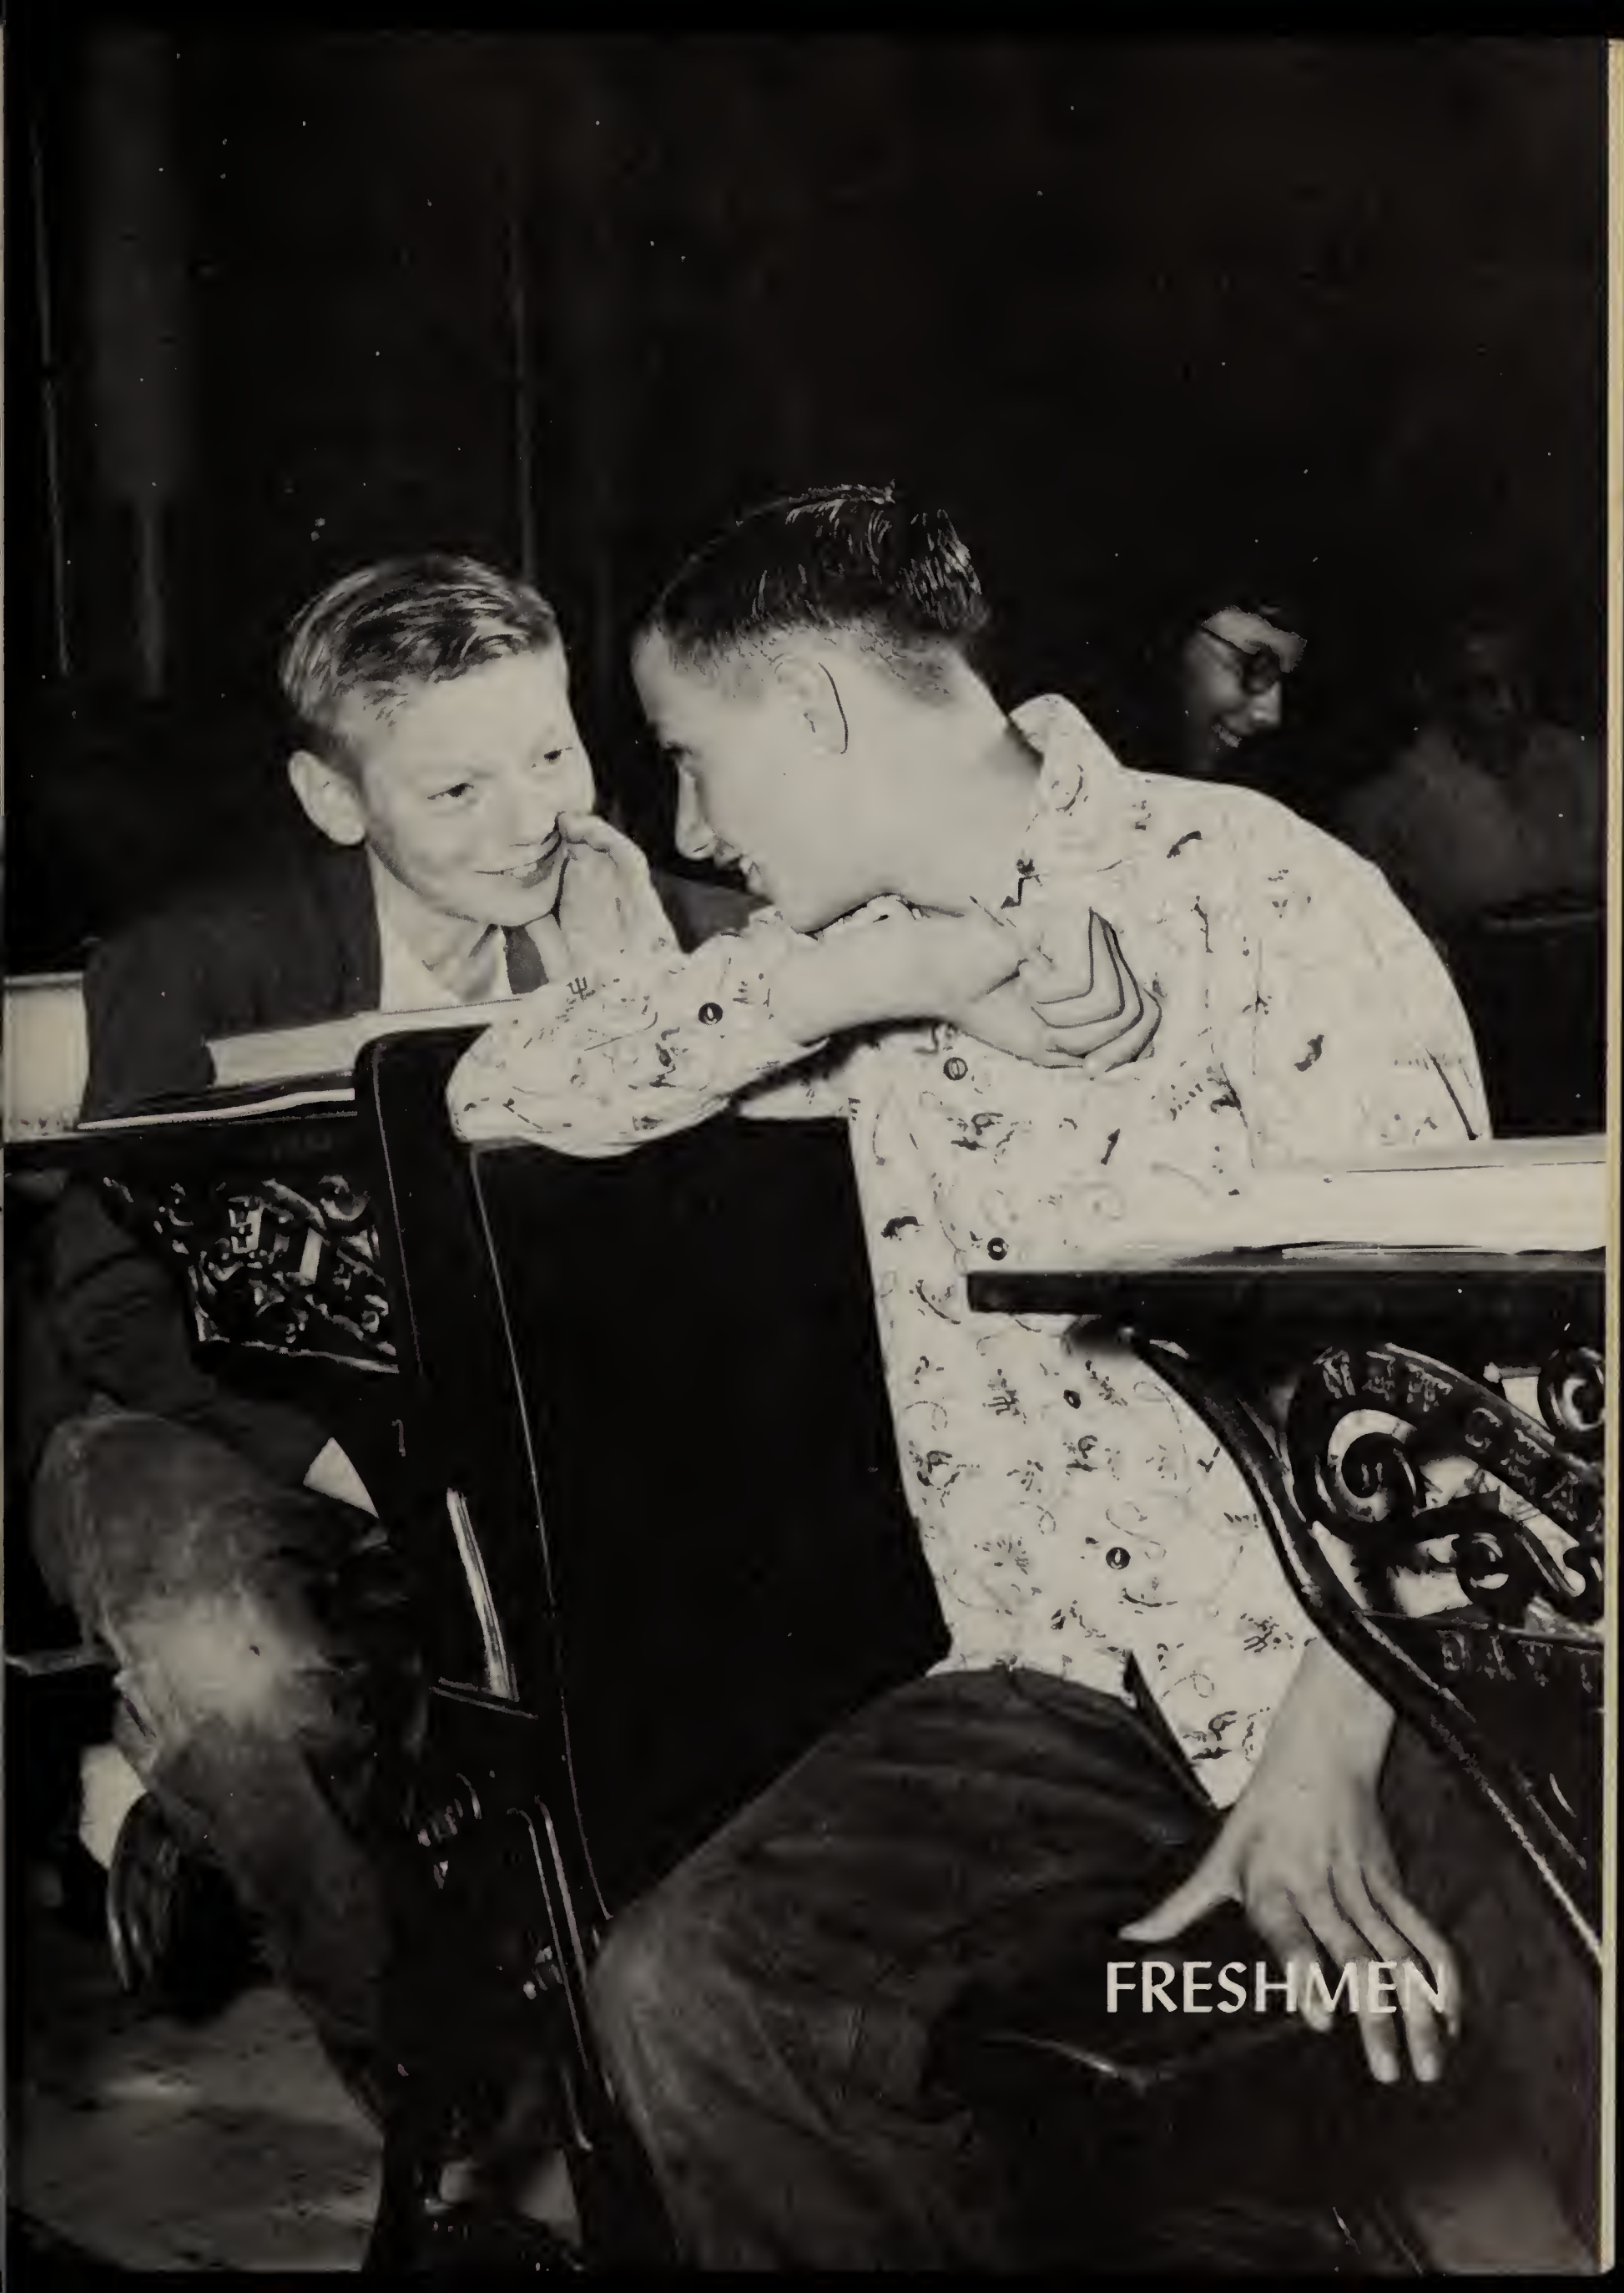
Every member in the FHA Club receives an American Beauty Rose at the first meeting of the year, which is the installation of new members and officers. Each new member receives his rose by having it pinned on him by one of the older members.

Initiation services are carried out for all new members joining the FHA Club. They are given a few tests to see if they would make a good homemaker. Then a series of tasks and games are provided for each new member. They all have a lot of fun.

This scene shows Peggy Collins, past president, installing the new officers for the FHA Club's third year. A candlelight ceremony is always used.



FRESHMEN

Treasurer, Darrell Huffman; President, Janice Barcus; News Reporter, Floyd Soper; Secretary, Sarah Tinkel; Vice President, Donald Bridge.

Showing leaves to the biology class is Sarah Tinkel and Patsy Fryback. This subject seems to be very new and exciting to the freshmen. They have collected leaves and insects throughout the year.

Fred Frantz	Sarah Tinkel	Bob Mossburg	Roberta Marshall	Darrell Huffman
Janice Barcus	Raymond Maggart	Lottie Tallant	Chad Garrett	Joyce Grover
Joe Craig	Patsy Fryback	John Niblick	Jone Grover	Jim Thompson
Dorothy Anderson	Don Niblick	Don Bridge	Larry Carter	Floyd Soper

The senior girls revert back to childhood at Street Fair time. They seem to be having a lot of fun swinging in the swings for a six year old.

Romance seemed to be blossoming for Boyd Schoeff and Glenda Dunn at Street Fair time. They both enjoyed many other activities at the fair, including the county school parade.

This happy group of juniors and seniors seem to be having quite a laugh over a joke. Noon hour is quite a happy time for all of the students at L.C.H.S.

A Christmas program was given for the PTA members, by the pupils at L.C.H.S. The smaller children gave an operetta from which these little girls are angels.

These little boys represent the little wooden soldiers. They sang a song and did a little dance for the audience.

The high school students had a part in the program also. A version of "Why the Chimes Rang" was presented. The high school chorus furnished the music.

This smiling group of pupils is studying geography. They are learning where some places of interest are on the map. Studying with maps make the subject more interesting.

Halloween time was a gay time for the grade school students of L. C. H. S. They paraded up stairs for the high school pupils. Some of them were very queer looking creatures.

When the snow began to fall, some of our smaller pupils were very happy. It didn't seem to get too cold or snow too much for them. In this scene they are having a lot of fun skating on the sidewalk.

The Liberty Center High School Seniors Bid Farewell to You

MEMORIES

Back in the year of '42
Twelve boys and girls, in a role that was new.
Walked through the gates out of babyhood
Into a new life so sure to be good.

Twelve long years now lie ahead
And my, what an eon that seemed.
New students, classmates, and teachers that led
Are now just memories and dreams.

Again through a gateway twelve students now pass
After learning from precept and rule.
And leaving these great halls of L.C.H.S.,
Out of school life, into life's school.
